Dear Mr. Evans,

Thank you for requesting approval of the DigiShuffle Single Deck Shuffler v2.09. We have completed our review.

The DigiShuffle Single Deck Shuffler is approved for use in Washington State. We are approving the DigiShuffle v2.09 with the following requirement:

- Nothing should be connected to the Ethernet/network port.

Any modifications made to the DigiShuffle Single Deck Shuffler software, or associated equipment must be submitted to us for additional testing and review. We reserve the right to investigate and reevaluate the DigiShuffle if we determine that such a review is required to ensure compliance.
