**Re: Pig out and Arctic Chomp Amusement Games**

Dear Mr. Treankler,

Thank you for submitting the Pig Out and Arctic Chomp amusement games to us for review. We have completed our review.

It is my understanding the game plays as follows:

Players move a handle up and down to shoot balls (food) into the pig's mouth (Pig Out) or the polar bear's mouth (Arctic Chomp). During the last 10 seconds of the game, players receive double points for the food they toss into the character's mouth.

The Pig Out and Arctic Chomp games meet the definition of an amusement game (RCW 9.46.0201) and are approved for use as a Group 5 Hand/Eye Coordination (WAC 230-13-035) amusement game in Washington State.

Please be advised that any modifications to the Pig Out or Arctic Chomp amusement games software or associated equipment must be provided to us for additional testing and review. In addition, amusement games operated in Washington must not have settings that allow the operator to control the outcome of the game (auto percentaging). The approval of this equipment may be rescinded at any time if problems are found by the Commission or changes to the Washington Administrative Code (WAC) impact this approval. If you have any questions or concerns, please contact Sonja Dolson at (253) 671-6283.

Sincerely,

Mark Harris  
Assistant Director  
Field Operations Division

# PIG OUT!

## Watch Out! It's a Pig Out!

Although it is geared towards the wee ones, this game is fun for all ages. Have fun scooping different colored food into the bright pink pig's gobbling mouth! Simply coin up and move the handle up and down to shovel dropping balls into the pig's opening and closing mouth. Make sure you time it just right to get the maximum amount of balls in the target! Score tickets by getting as many balls as you can into the moving mouth and remember- balls shoveled in the last few seconds are worth double!

Shipping Weight: 350 lbs.  
Game Size: 27"W x 47"D x 78"H
