Re: MD-2 Software Version 1.594 and Hardware Upgrade

Dear Mr. Roy:

Thank you for submitting the MD-2 upgrades. A review was conducted and it was determined the MD-2 upgrades are suitable for installation in Washington. This approval is based on the information provided by Shuffle Master for this review.

The electronic signature for the MD-2 Multi-Deck Card Shuffler is as follows:

Software Component	Device	Kobetron 2000 Signature (27010)
MD2 V 1.594	EPROM	77F5

If any additional modifications are made to the MD-2, the software and associated equipment must be submitted for additional testing and review.

Thank you for your cooperation during this process. We appreciate your desire to comply with our regulations. If you have any questions regarding this matter, please contact me at (360) 486-3512.

Sincerely,

Dave Trujillo
Assistant Director
Licensing Operations Division
