RE: 00 Cyclops Roulette v10.44

Dear Ms. McAllister-Cox,

Thank you for requesting approval of the 00 Cyclops Roulette v10.44. We have completed our review.

The 00 Cyclops Roulette is approved for use in Washington State with the following requirements:

- The Controller Unit has a network port located on it that allows access to the Network Interface Card (NIC) if a computer is plugged into it. This network port on the Controller Unit must be disabled.

The electronic signature for the 00 Cyclops Roulette v10.44 is as follows:

SIGNATURE

File Name	SHA1 Signature
MTX386.SWP – SHA1	BBF91138D4A0BD8D2839DB403AAE334C09AEED4E
MTX386.SWP – MD5	B5DA8FDADA4F51E9713FB225F5C4410A

Any modifications made to the 00 Cyclops Roulette v10.44, software, or associated equipment must be submitted to us for additional testing and review. We reserve the right to investigate and reevaluate the 00 Cyclops Roulette and software if we determine that such a review is required to ensure compliance.

Our testing revealed that 00 Cyclops Roulette has a protection interval of approximately 5 seconds and/or 1.5 wheel rotations. This is activated if the number of wheel rotations is less than

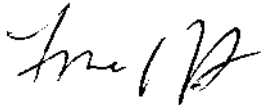

three. The 00 Cyclops Roulette will flash the number displayed to allow for the dealer to pick up the ball prior to recording the number. Based on this, the 00 Cyclops Roulette facilitates the results of gambling activities by electronically reading and displaying the outcome of the gambling activity by validating the spin.

It is recommended that the memory of the Cyclops Simula be cleared in the case where a ball is mistakenly read due to a bad spin. The memory must be cleared in order to ensure accurate statistical values are advertised to players.

As the manufacturer of the 00 Cyclops Roulette, Set Production manufactures the main controller, produces the operation manual, issues a warranty on the 00 Cyclops Roulette, and all upgrades and warranty protocols come from Set Production. Based on this, Set Production will require licensure as a manufacturer for further distribution of 00 Cyclops Roulette in Washington upon expiration of their Special Sales Permit.

Thank you for your cooperation during this process. We appreciate your desire to comply with our regulations. If you have any questions regarding this matter, please contact me at (360) 486-3546.

Sincerely,

Tina Griffin
