- Fortunet is not allowed to access the Edge Bingo System remotely for maintenance, upgrading or trouble shooting. These functions must be performed by a licensed manufacturer representative onsite at the licensed location. - The electronic raffle feature in the Edge Bingo System must be disabled prior to installing the system in WA.

- You must notify us prior to the first installation in Washington so arrangements may be made for Agent inspection/review. At least 10 business days prior to installation, provide us with a list to include specific locations, dates, and times when this system will be installed. Send the list to Sonja Dolson at sonja.dolson@wsge.wa.gov.

Additional Requirements for Bingo Licensees:

- If the player tracking feature is used to award and/or redeem player points based on the amount a player spends, the licensed bingo hall must ensure they comply with the requirements in WAC 230-06-030 – Restrictions and conditions for gambling promotions.

Any modifications made to the Edge Bingo System must be submitted to us for additional testing and review. We reserve the right to investigate and reevaluate the Edge Bingo System if we determine that such a review is necessary to ensure compliance with applicable rules or laws in Washington.

Thank you for your cooperation during this process. We appreciate your desire to comply with our regulations. If you have any questions regarding this matter, please contact me at (360) 486-3546.
