Dear Mr. R. Newburg:

We recently conducted a review of your PokerOne Shuffler Version 3.03.12 Model SPO-01-01, submission #1704.

We have determined that the above indicated submission is compliant with the rules and laws for gambling equipment in the state of Washington. Attached you will find software or hardware signatures associated with this submission that the agency uses to verify during field inspections. If there are changes in the software or firmware it must be resubmitted to the Washington State Gambling Commission for re-evaluation

Please be advised this approval is contingent on the manufacturers' description of the activity and current rules and laws that govern gambling in the state of Washington. The Gambling Commission reserves the right to investigate and re-evaluate the above listed equipment if it is determined that such review is required to ensure compliance. In order to market your new game in Washington State your organization must first obtain licensure as a gambling service supplier or manufacturer. If you have not done so already, please request the application for a new service supplier (GC4-026) or new manufacturer (GC4-001).

Thank you,

David Trujillo, Assistant Director
Licensing Operations Division
Washington State Gambling Commission
