**RE: Fortune Progressive Pai Gow – Universal Progressive Poker Software Version 1.03.015 and Meter Adjustment Utility Version 2**

Dear Ms. Zarach:

Thank you for requesting approval of the upgrade to your Fortune Progressive Pai Gow Table Game System Software.

We approved the Fortune Progressive Pai Gow version 1.03.11 in May 2008. According to your letter, the latest version 1.03.015 will:

- Fix the secondary reseed value that did not update on wins;
- Fix security report listing to use the correct end time;
- Fix progressive report to correctly compare the user's start and end dates;
- Stop the game from running while a user is changing the configuration;
- Include progressive changes and secondary jackpot changes on the accounting reports.

We are approving the Fortune Pai Gow – Universal Progressive Poker Software Version 1.03.015. We are not approving the Meter Adjustment Utility because you stated on June 1, 2009 during a phone conversation with staff, that the meter adjustment utility is no longer needed.

The electronic signatures for the Fortune Progressive Pai Gow – Universal Progressive Poker Software Version 1.03.015 are as follows:
