RE: EDGE Bingo System v.3.4.0.2

Dear Mr. McCoy,

Thank you for requesting approval of the EDGE Bingo System. We have completed our review.

The EDGE Bingo System is approved for use in Washington State with the following requirements:

- A separate login for the SQL database should be established that is separate from the Windows login.
- GameTech is not allowed to access the EDGE Bingo System remotely for maintenance, upgrading or trouble shooting. These functions must be performed by a licensed manufacturer representative onsite at the licensed location.
- GameTech must notify the licensed location before remotely accessing the EDGE Bingo System for billing purposes.
- You must notify us prior to the first installation in Washington so that arrangements may be made for Agent inspection/review. At least 10 business days prior to installation, provide us with a list to include specific locations, dates, and times when this system will be installed. Send the list to Sonja Dolson at sonja.dolson@wsgc.wa.gov.

The electronic signatures are listed on the enclosed document.

On December 5, 2011, you asked if you could operate Slingo Jokers Wild. My letter of December 29, 2011 stated while the game concept as submitted was approved for play, the associated equipment, Bingo Boss Virtual Flash Board Verifier and the EDGE Bingo System,

Mr. Daniel McCoy
July 20, 2012
Page 2 of 2

needed to be submitted for review. Since we have not reviewed the Bingo Boss Virtual Flash Board Verifier, you cannot operate Slingo Jokers Wild in Washington until all associated gambling equipment is reviewed and approved.

Any modifications made to the EDGE Bingo System must be submitted to us for additional testing and review. We reserve the right to investigate and re-evaluate the EDGE Bingo System if we determine that such a review is necessary to ensure compliance with applicable rules or laws in WA.

Thank you for your cooperation during this process. We appreciate your desire to comply with our regulations. If you have any questions regarding this matter, please contact me at (360) 486-3546.

Sincerely,

Tina Griffin
Assistant Director
Licensing Operations Division

RE: SLINGO JOKERS WILD

Dear Ms. McIntosh:

We have reviewed GameTech's Slingo Jokers Wild information you sent via email on December 5, 2011.

Based on our review of the game concept as submitted, Slingo Jokers Wild appears to be in compliance with our rules and laws, and is, therefore, approved for play in Washington.

The associated equipment, the Bingo Boss Virtual Flash Board Verifier and the Edge Bingo System, used to play Slingo Jokers Wild will need to be reviewed for compliance prior to play. You submitted the Edge Bingo System to us on December 8, 2011, for our review. To date, we have not received the Bingo Boss Virtual Flash Board Verifier.

If you have any questions, please feel free to contact me at (360) 486-3546 or Tina.Griffin@wsgc.wa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Tina Griffin".

Tina Griffin
