Re: Diamond/AllTrak2 Integrated Version 6.14.036/3.8.249

Dear Mr. Larkin:

On 7/19/05, a meeting was held in the Tacoma office of the Washington State Gambling Commission (WSGC) to review the above listed software version. Those attending included Special Agents (S. Dolson, S. Blanchett, B. Lane, B. McGregor, M. Harris, and T. Hughes) of the WSGC as well as the following Gametech representatives; Erika DiNapoli – Product Compliance Manager, Roger Ooms – Business Manager, Jeremy Schwenk – All Trak Installation Supervisor and a team of engineer/service technicians.

A sample bingo session was conducted and the applicable receipts/reports were reviewed for compliance with Washington State requirements. There were no exceptions noted. Thus, the Diamond/AllTrak2 software version 6.14.036/3.8.249 complies with the Washington State requirements. However, we would like to be present for the initial upgrade installation in Washington State to verify the equipment functions in the same manner as was demonstrated.

Our review is limited to the receipting requirements and does not review all of the reports produced by your software. Thus, if some of the reports do not have all of the required information, then a bingo operator may need to take additional steps in order to maintain compliance. You can review Washington State's bingo record keeping requirements via our website, [www.wsgc.wa.gov](http://www.wsgc.wa.gov).

The approval of this software may be rescinded at any time if problems are found by the Commission or Washington Administrative Code (WAC) changes impact the approval. If you have any questions and/or concerns, please feel free to call Susan Blanchett at 253.471.5312 ext. 230 or Sonja Dolson at 253.471.5312 ext 235.

Sincerely,

Susan Blanchett  
Supervisory Special Agent
