RE: Bonus Jackpot System- Andromeda Series – Stage I

Dear Mr. Saucier,

Thank you for requesting approval of the Bonus Jackpot System-Andromeda Series- Stage I. We have completed our review.

The Bonus Jackpot System-Andromeda Series- Stage I is approved for use in Washington State operated only as described in the documentation submitted during the Game Endorsement Information Form review. The approval is contingent on the following requirements:

- Locally disable the Remote Desktop and Wireless services installed on the Pit/Site Controller and ensure that the operator cannot enable the Remote Desktop and Wireless services.
- Galaxy Gaming is required to demonstrate to the Washington State Gambling Commission that the Data Center components operate exactly as described in the submission materials. Please contact Paul Dasaro at (360) 486-3505 to make arrangements prior to the first installation in Washington State.
- Only employees of House Banked Casinos and Tribal facilities may adjust prize amounts and promotional messages on the LED display of the TableVision System; Galaxy Gaming and employees thereof are prohibited from updating/changing any TableVision displays.
- Notification to the Washington State Gambling Commission must be made prior to the first installation in Washington and each installation thereafter so that arrangements may be made for Agent inspection/review. Please provide a list, to include specific locations, dates, and times this system will be installed at least 10 business days prior to installation. Send the list to Sonja Dolson at sonjad@wsgc.wa.gov.

- Any subsequent versions of this system must include an identifiable signature on proprietary circuit boards which would allow independent verification of approved version.

Any modifications made to the Bonus Jackpot System-Andromeda Series- Stage I must be submitted to us for additional testing and review. These changes could include, but not be limited to. changes to the name, topography, configuration, or firmware. We reserve the right to investigate and reevaluate the Bonus Jackpot System-Andromeda Series- Stage I if we determine that such a review is required.

Thank you for your cooperation during this process. We appreciate your desire to comply with our regulations. If you have any questions regarding this matter, please contact me at (360) 486-3546.

Sincerely,
