

Field Gold 21 is a standard house-banked blackjack game with an option bonus wager. All rules pertaining to the standard blackjack game as posted on the WSGC’s website remain the same.

RULES OF PLAY

1. Field Gold 21 is an optional bonus bet for blackjack.
2. Field Gold 21 considers the first two cards the player receives (regardless of dealer hand). If their total are the equivalent to a field bet in craps (2, 3, 4, 9, 10, 11 or 12), the player wins. A sample payable is below.

FG21	Pays
Ace & Jack suited	25 to 1
Two Aces	10 to 1
3 or 4	3 to 1
9 or 10	2 to 1
Any Blackjack	3 to 2
11 or 12	1 to 1

* Face Cards are worth 10. Aces are worth 1 or 11.

3. To begin each round, players must make their standard blackjack wagers and, if they like, the Field Gold 21 wager.
4. The dealer then follows house procedures for blackjack

5. Once players have two cards, the dealer settles Field Gold 21 wagers. If players have a winning hand, they win according to the payable. If their first two cards are not a winning hand, players lose their Field Gold 21 wager.

The Field Gold bonus wager is still in effect even with dealer blackjack.

Operators cannot allow wagering limits to exceed the authorized limits set out in WAC 230-15-040 and WAC 230-15-140.
