Note: Revenues and expenses are for gambling purposes only, and do not reflect all operating costs of non-gambling portions of the business or organization.

"Gross Receipts" include funds from three types of card room activities:

- a) chair rental fees,
- b) per hand fees, rakes and other fees collected in non-house-banked card rooms (starting July 1996), and
- c) "net win" in house-banked card rooms (starting July 1997).

"Rake" is a percentage of the total amount wagered by players during one hand.

"Net Win" describes the total money taken in by house-banked card rooms, less the amounts paid out in winning hands.

"Special Prizes" include tournament awards [but NOT winning hands from house-banked card rooms. Those winning hands already deducted to get Net Win and Gross Receipts].
