**FISCAL YEAR 2001
SUMMARY OF ACTIVITY AND TRENDS**

TOTAL LICENSED GAMBLING activity for the year increased by 0.5% from the previous year (\$901.6 million v \$896.9 million). The increase averaged 5.3% per year during the last three years. Nearly all of the growth continued to be in the card room area. However, the total number of licenses reporting activity actually decreased 5.6% from a year ago (3,233 v 3,425).

*Please note: Tribal Gaming figures are **not** included in this annual report.*

BINGO activity decreased by \$11.8 million in the fiscal year (down 7.4%), while the number of licenses reporting activity also decreased 7.5% (343 v 371). This activity decreased by \$27.9 million (16.0%) over the last three years (down an average of 5.3% per year). King, Pierce, Snohomish, and Spokane counties account for 58.8% of total state population and a similar share of total **BINGO** activity (52.6%). These counties' 2000 market share was 54.6%. [Note: As of 1-1-2000, a change in the law decreased the maximum local tax rate for Bingo and Raffle to 5% of net receipts, from 10%.]

Combined **PUNCHBOARD AND PULL-TAB** gross receipts decreased \$25.8 million (4.9%) this year to \$500.2 million. The number of licenses reporting activity decreased by 5.7% percent (2,109 v 2,236). While the combined activities have decreased by \$39.7 million (7.3%) from three years ago, **PULL-TABS** decreased by \$36.2 million (6.8%) and **PUNCHBOARDS** declined by \$3.5 million (45.2%). The number of pull-tab sets sold by **DISTRIBUTORS** decreased by 5.5% during the year (1,288,401 v 1,363,960). Effective 7-27-97, RCW 9.46.110 lowered the maximum rate that local jurisdictions can tax nonprofit punchboard/pull-tab activity from 5% of gross receipts to 10% of net receipts. (10% of net receipts would approximate 3.3% of gross receipts, assuming a two-thirds prize payout.) Local jurisdictions may continue to tax commercial operators up to 5% of gross receipts, or exercise their option to tax all operators up to 10% of net receipts.

Activity in **CARD ROOMS** increased by \$40.9 million (21.8%) over last year. The number of licenses reporting activity decreased 2.8% (105 v 108). There has been an increase from three years ago of \$198.4 million (659.5%, an average of 219.8% per year), which is primarily due to house-banked card rooms. Prior to 1990, card room activity showed a flat growth pattern. During 1990-1992, higher growth rates occurred and were attributed primarily to the authorization of Washington Blackjack in April of 1990. Starting in 1993, card room activity increased only slightly each year, until a dip occurred in 1996. In June of 1996, new legislation allowed up to 15 tables. In June of 1997, legislation added house-banking.

On 6-30-99, 47 house-banked card rooms were open in the test program (which ended May 1, 2000).

On 6-30-00, the number of house-banked card rooms open had risen to 54.

On 6-30-01, the number of house-banked card rooms open had risen to 59 (71 approved, 12 closed).

RAFFLE activity decreased \$243,203 (3.7%) from last year. The number of raffle licenses reporting activity went down 4.0% (523 v 545). Average net income increased 1.8% (\$5,847 v \$5,744).

The number of **FUND-RAISING EVENTS** declined by 5.1% this year (37 v 39). This continues a trend demonstrated since 1986. Total gross receipts for this activity decreased by \$184 (0.2%) compared to last year, while average net income per event decreased by 48.1% (\$587 v \$1,131). The new type of fund-raising events, known as "Limited FREs" appear to account for larger expenses and net losses during the 2nd quarter of 2001.

COMMERCIAL AMUSEMENT GAME activity increased \$1,670,237 (9.1%) this year. The number of commercial amusement game licenses reporting activity decreased by 5.2% (92 v 97).

Note: Some operators serve several locations under revenue-sharing agreements, but report only once.

Outlined area includes prior years, for comparison purposes only.

(1) Includes Raffles, Fund Raising Events, Non-Profit Amusement Games, and Bingo at Agricultural Fairs.

(2) **Notes for Card Rooms Only**

"Gross Receipts" include funds from three types of card room activities:

- a) chair rental fees,
- b) per hand fees, rakes and other fees collected in non-house-banked card rooms (starting July 1996), and
- c) "net win" in house-banked card rooms (starting July 1997).

"Rake" is a percentage of the total amount wagered by players during one hand.

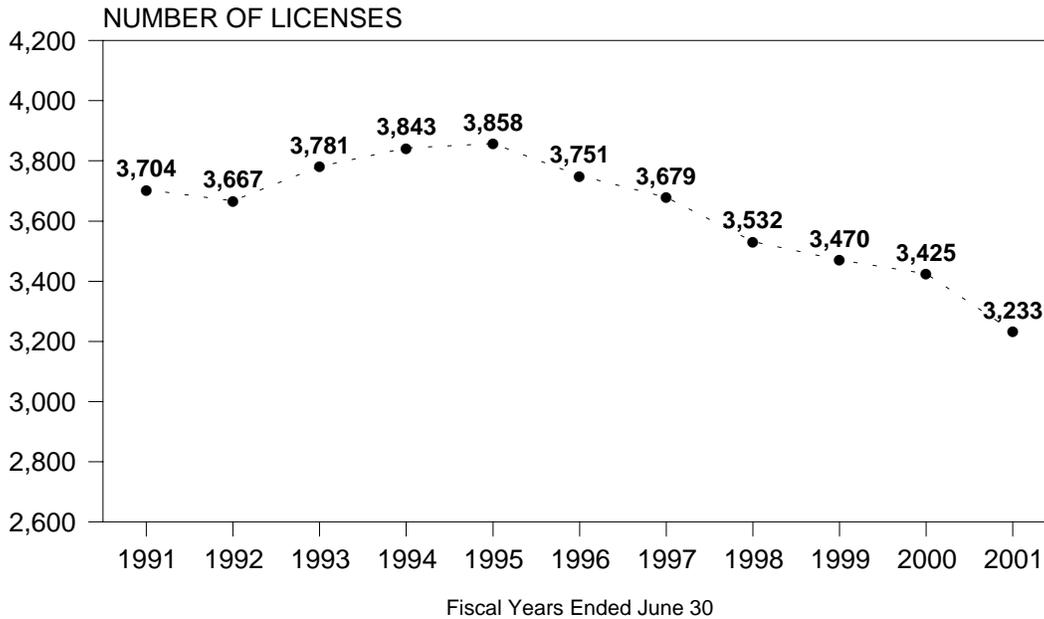

"Net Win" describes the total money taken in by house-banked card rooms, less the amounts paid out in winning hands.

Additional "Prizes Paid" include tournament awards [but NOT winning hands from house-banked card rooms. Those winning hands already deducted to get Net Win and Gross Receipts].

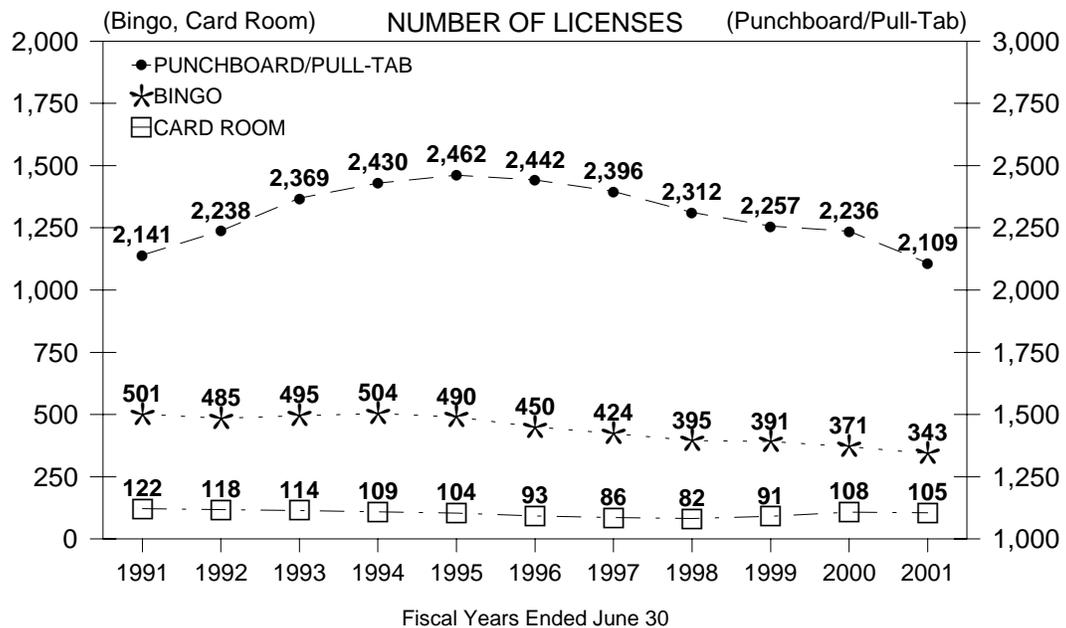

(3) Includes Commercial and Non-Profit Punchboards/Pull-Tabs. See pages 13 & 14.

Notes for Card Rooms Only

(1) "Gross Receipts" include funds from three types of card room activities:

- a) chair rental fees,
- b) per hand fees, rakes and other fees collected in non-house-banked card rooms (starting July 1996), and
- c) "net win" in house-banked card rooms (starting July 1997).

"Rake" is a percentage of the total amount wagered by players during one hand.

"Net Win" describes the total money taken in by house-banked card rooms, less the amounts paid out in winning hands.

(2) "Prizes Paid" include tournament awards [but NOT winning hands from house-banked card rooms. Those winning hands already deducted to get Net Win and Gross Receipts].

Note: Revenues & expenses are for gambling activity only, and do not reflect all operating costs of the non-gambling portions of the business or organization.

(1) Tax reported figures were compiled from activity reports submitted by licensees.

(2) Tax available is maximum amount local jurisdiction could tax, and is computed at 5% of tax base (net receipts) for bingo, and 20% of tax base (gross receipts) for card rooms.

(3) Tax available is maximum amount local jurisdiction could tax, and is computed at 5% of the tax base (gross receipts for Commercial punchboard/pull-tabs) and at 10% of the tax base (net receipts for nonprofit punchboard/pull-tabs).

(4) Group Total does not include other taxable activities such as raffles (statutory limit of 10% of net receipts), amusement games (statutory limit of 2% of net receipts), and fund-raising events (no statutory limit).

(5) Includes all incorporated cities and towns within the county.

Note: Variances may occur between amounts available and amounts reported due to timing differences between reporting and payment of taxes, and different tax rates among jurisdictions. A "<" symbol indicates tax available is less than tax reported.

**PERCENTAGE CHANGES FROM PRIOR YEAR, BY COUNTY
