APPENDIX X2 REVISION
Between the
Washington State Gambling Commission
And The
Tulalip Tribes of Washington

AX2R – 2007-02

This Appendix X2 Revision (AX2R) is entered into between the State of Washington Gambling Commission (State) and the Tulalip Tribes of Washington (Tribes) pursuant to the Tribal-State Compact (Compact) for Class III Gaming, Appendix X2 Section 11 (Alternative Standards). The Tribes and the State entered into the Compact on August 2, 1991 pursuant to the Indian Gaming Regulatory Act of 1988 ("IGRA") and signed the Seventh Amendment to the Tribal-State Compact, incorporating Appendix X2, on March 13, 2007.

The purpose of this modification is to allow the requirements of Appendix X2 Section 7.1.8 to be provided in multiple reports instead of one single report.

Appendix X2, Section 7.1.8 shall be modified to state, in pertinent part:

7.1.8 Master Reconciliation Report. A master reconciliation report must be available on a daily and monthly basis, at a minimum. The master reconciliation report may be provided as one single report, or as two or more individual reports. The master reconciliation report provides a summary of all daily sources and disposition of funds, including the following:

- a. Funds collected from cashiers, Player Terminals, and Kiosks;
- b. Funds carried forward from prior business day, including liability from prizes awarded, but not paid out, prize pool balances, and reserve funds, etc.;
- c. Payments to players;
- d. Funds available to operator; and
- e. Tickets and prizes dispensed and played to reconcile with amount won.

Pursuant to the Tribes' request, the Tribes and State agree to the modifications noted above. The Tribes and State further agree that should the terms of this AX2R become invalid, by any means or for any reason, the wording of the affected portion of the Appendix X2, as originally worded or subsequently amended, shall immediately be reinstated and binding.
