### **CARD ROOM LICENSE APPLICANTS – EXAMPLES USING JUNE 30, 2003 FEES**

Please refer to page one of the application. Now look at the fee schedules attached to the form. As you can see, there are several different card room license classes. If you ran a nonprofit organization and you wished to apply for a card room license, you must choose between Class A, B, C or D. If you chose Class D, on page one of the application you would place an  in the box identified as “Social Card Room (60)” and write |D| in the box after “Class”. For the fee amount you would write |0|5|4| in the boxes after “Fee \$”.

A commercial/profit-seeking business seeking a Class E license with five (5) gaming tables would place an  in the box identifies as “Public Card Room (65)”, and write |E|0|5| in the boxes after “Class”. For the fee amount you would write |3|,|6|5|0| in the boxes after “Fee \$”. Note: you may apply for up to fifteen (15) tables under Class E. Read the fee schedule carefully to calculate the proper fee. Applications must have the correct fee to be processed.

A Card Room Class F Endorsement allows enhanced card room activities including alternative fee collections and the use of player-supported jackpot schemes. If you wish to apply for a Card Room Class F Endorsement you must already have a Class E Card Room license, or applying for one using this application. To add a Class F Endorsement, on page one of the application you would  “Public Card Room (65) Class F”, and write |1|,|5|9|0| for “Fee \$”.

If you wish to apply for a House-Banked Public Card Room License, you NEED NOT APPLY for a Class E Card Room License, or a Class F Endorsement. The House-Banked License covers all elements of Class E and Class F activities. If you wished to apply for a ten (10) table House-Banked Card Room License, on page one of the application you would  “Public Card Room (67)”, write |1|0| in the boxes behind “HB”. Read the fee schedule carefully to calculate the proper fee. If you were applying for ten tables you would write |2|2|,|2|6|8| for “Fee \$” because \$22,268 is the sum of the \$6,368 annual fee and 10 X \$1,590 for each table.

### **WHAT OTHER LAWS OR RULES MIGHT EFFECT MY CARD ROOM APPLICATION?**

Your desire to expand your business to include a card room may be effected by a number of Local, State and Federal laws. For example the Gambling Commission requires you to have all necessary business licenses, appropriate health certificates, fire inspections, and use and occupancy permits before it can issue a license. Also, a number of city and county governments have enacted restrictions (or moratoriums) regarding card rooms and other gambling activities. Call local governmental agencies to obtain up-to-date information on any restrictions prior to preparing this application.
