

IMPORTANT

LICENSE CLASS STRUCTURE INFORMATION

Dear Applicant:

Gambling licenses are issued for one year based upon a specified gross or net receipt limitation for each license type. Prior to making a license class selection, we urge you to closely review our fee schedule to ensure that the license class you select will be appropriate for your operation.

Please monitor your receipts closely. Licensees who exceed their license class limit are required to upgrade to the appropriate license class level immediately. See WAC 230-06-130 below.

If you fail to upgrade, you will have to pay a penalty fee in addition to the upgrade fee. See WAC 230-06-135 below.

Questions? Please contact our licensing department at 360-486-3440.

WAC 230-06-130 EXCEEDING LICENSE CLASS. (1) Licensees must not exceed the gross gambling receipts limits for their license class during any annual license period.

(2) Licensees must apply a projection of year-to-date receipts to the remaining period of their license and, if it indicates that it is reasonably likely that they may exceed their license, they must immediately:

- (a) Apply for a license that authorizes the anticipated level of gross gambling receipts; and
- (b) Submit the fee required for the new license, minus the amount originally submitted for the previous license, plus a change of classification fee.

(3) If we issue a license upgrade, it is valid only for the remainder of the original term of the license.

(4) Licensees may exceed license class limits once, by the amount shown in the fees table, without having to upgrade or pay the penalties as long as they upgrade to the higher license class the next time they renew their license.

WAC 230-06-135 FAILING TO APPLY FOR LICENSE CLASS UPGRADE. (1) If licensees fail to apply for a license class upgrade and exceed the license class limit within a present or previous license year, we assess an additional fee. We charge an additional fee of up to fifty percent of the difference between the fee for the present license class and the new license class, or one thousand dollars, whichever is less.

(2) Licensees must pay any required license class upgrade fee, plus any additional fee required by subsection (1) of this section, within thirty days of our notification.

(3) Failure to pay the fees may result in an immediate summary suspension of all licenses.
