Poker Runs

What is a Poker Run?

A Poker Run is a raffle where tickets/tally sheets are sold and prizes are awarded to winners based on their hand of playing cards (“alternative” drawing).

Alternative drawing vs. Standard drawing.

In Poker Runs, winners are determined by their hand of cards; this is an “alternative” drawing. A “standard” drawing is pulling winning tickets out of a hat. Whenever raffle winners are *not* determined by a “standard” drawing, you must get a raffle license.

What is a raffle?

- ♠ A raffle is a gambling activity.
- ♠ A gambling activity involves *three* elements: **Prize, chance, & consideration** (entry fee/wager).
- ♠ If one of the elements is removed, it’s not gambling. For example:
 - ♠ If entry into a contest is **free** (*no consideration*) it’s not gambling.
 - ♠ If winners are selected based on their **skill** (*not chance*) it’s not gambling.

Who can offer a Poker Run?

- ♠ Only charitable or nonprofit organizations that have a raffle gambling license.
- ♠ Individuals and commercial businesses **cannot** offer raffles or Poker Runs. As an alternative, ask your charity to sponsor a raffle and then give them a hand operating it.

How are Poker Runs operated?

- ♦ The organization sells participants consecutively numbered tickets/tally sheets.
- ♦ Participants travel (often using motorcycles, snowmobiles, classic cars, boats, or horses) to predetermined checkpoints. Usually, there are 5 to 7 checkpoints.
- ♦ At each checkpoint, participants randomly draw a playing card for each ticket or tally sheet purchased.
- ♦ Checkpoint attendants verify the card drawn and record the card value on the poker tally sheet.
- ♦ After all participants have completed the run, the participant with the best, or worst, recorded poker hand wins (depending on rules of play).

Does my organization need a license to offer a Poker Run? **Yes, you need a raffle license.**

Can my organization apply for a raffle license?

Washington State law requires that your charitable or nonprofit organization’s by-laws or articles of incorporation state the organization is organized and operating **only** for one or more of the following purposes:

- ♠ Agricultural ♠ Civic ♠ Patriotic
- ♠ Athletic ♠ Educational ♠ Political
- ♠ Charitable ♠ Fraternal ♠ Social

Or be one of the following:

- ♠ Agricultural Fair ♠ Church
- ♠ Fraternal Society ♠ Grange
- ♠ Religious Society

If your organization’s by-laws or articles of incorporation include any stated purpose(s) other than those listed above, you do not qualify to offer a raffle or a Poker Run. Normally, trade unions or associations that primarily lobby do not qualify.

If you meet the “stated purpose” requirement above, your organization **must also** meet the following three requirements:

- ♠ Have been organized and operating for at least 12 months **before** offering the Poker Run; and
- ♠ Be able to prove your organization has made significant progress towards accomplishing its stated purposes during the 12 consecutive months before offering the Poker Run; and
- ♠ Have at least 15 voting members who elect the governing body.

Your organization must sell tickets, determine winners, and award prizes **only** in Washington.
