### **Petition to Initiate Rule-Making-50/50 Electronic Raffles**

**Mari Hortita, NHL Seattle; Amber Carter, Seattle Mariners; and Brian Considine, Legal and Legislative Manager (LLM)** presented the materials for this tab. **LLM Considine** introduced the petitioners to the commissioners. **Ms. Hortita** is Vice President of Community Engagement and Philanthropy for NHL Seattle and Amber Carter represents the Seattle Mariners. Ms. Hortita provided two handouts to the commissioners (now posted on the agency website) and the two representatives presented on behalf of NHL Seattle, the Seattle Mariners, Seattle Sounders FC and the Seattle Seahawks. Ms. Hortita and Ms. Carter requested the commissioners accept their petition to enter into rule-making and create rules allowing the petitioners' nonprofit foundations to hold 50/50 raffles using electronic equipment during home sports events. Money raised by the petitioners' nonprofit foundations will go towards charitable causes, including homelessness, diversity and inclusion initiatives, and hockey-related youth programs for marginalized youth in the community. **Commissioner Troyer** asked if all sports teams have their own foundation that money goes through, or does the money go straight to another organization. **Ms. Hortita** answered, "I believe sometimes it goes directly to another organization, but at least in the NHL, generally it goes to the foundation and then it's distributed out. I think there are certain nights like hockey fights, cancer nights where it may go directly to a particular nonprofit." **Commissioner Troyer** asked if Ms. Hortita knew what percentage went to the organizations for administrative costs and overhead. Ms. Hortita will get back to

Commissioner Troyer with that answer. **LLM Considine** added that each team has its own foundation with its own focus. Staff can, however, work closely with the petitioners to gather information related to nonprofit operations during rule-making for the commissioners to review, including projected revenues, charities served, and parts of the state served by each charity. He added that Staff recommends that the commissioners accept the petition with the understanding that the raffle equipment will need to be submitted for testing and review during the rule process before any rules can be finalized. Petitioners are aware of this requirement and they do not have any objections.

**Chair Sizemore** asked for public comments. There were no public comments.

*Commissioner Troyer moved to approve the petition and initiate rule-making as proposed by staff regarding the 50/ 50 electronic raffles for professional sports venues.*

*Commissioner Patterson seconded the motion.*

*The motion passed 4:0*
