There was no public comment.

### Tab 4

#### **Updating Rules Regarding Card Games**

**Ashlie Laydon, Rules Coordinator (RC) and Special Agent (SA) Jess Lohse**, presented the materials for this tab. RC Laydon explained that at the July 2020 meeting, the commission initiated rulemaking to define and outline operational requirements for jackpot prizes and to also update existing rules related to authorizing new card games, authorizing changes to existing card games, requirements for card games, wagering, adding merchandise and cash prizes or cash to card games, minimum cash on hand requirements, paying out prizes for card games and maintaining funds to pay prizes. The language today is up for discussion and possible filing and looks to amend 18 rules, repeal two rules and adopt one new rule. **SA Lohse** elaborated on the positive feedback that was received regarding these proposed changes. He also said that one manufacturer had some concerns with WAC 230-15-040 initially, but those have been resolved. **Chair Sizemore** asked if there was a potential risk to have a game where somebody can have 10 different \$300 wagers on a game? **SA Lohse** said, “the 230-15-040 rule, as of right now, it limits four separate games to a card game where three of them can be over \$5, and one has to be \$5 or less. As far as the card game approval process goes, the team I'm on, we've approved games over the years that have more than four separate games”.

#### **Public Comment**

**Chair Sizemore** asked for public comment and Julie Anderson checked the chat box and email. There were no public comments.

*Commissioner Levy moved to file the proposed rule language which is recommended by staff for further discussion.*

*Commissioner King seconded the motion.*

*The motion passed. 4:0*

### Tab 5

#### **Changing Minimum Number of Licensed Employees Required**

**Ashlie Laydon, Rules Coordinator (RC)**, presented the materials for this tab. RC Laydon was joined by Petitioner Max Faulkner. Max Faulkner, of West Richland, Washington, is proposing to amend WAC 230-15-340, Minimum number of licensed employees required, to allow the poker supervisor to deal until one table breaks and then allow dealers to rotate as supervisors in poker tournaments with no player-supported jackpots, nonvalue chips, and multiple starting tables. The petitioner feels this change is needed because under the current rules a card room must have an extra person to start a tournament even when there is no player-supported jackpot and non-value chips are used. Many times, a tournament breaks a table very early, eliminating

the need for the employee after a few minutes. The petitioner feels that if the supervisor can deal until a table breaks, it would make it more efficient for the card room. The current rules add cost and inconvenience to the card room without adding any protection to the players. The petitioner feels the effect of this rule change would save cost and inconvenience to the card room without affecting player protection. **Mr. Faulkner** explained his reasoning for the request to the commission. **Commissioner Patterson** addressed the petitioner and explained her concerns had to do with the fact that if the rule was adopted, there wouldn't be an independent decision-maker if a dispute occurred at the table. Her other concern was that it would end up leaving the card room operating without oversight by someone who wasn't involved in the game. She also asked staff to address if their concerns were adequately addressed. **Assistant Director (AD) Tina Griffin** addressed the petitioner. After explanation of the rules and the changes that the petitioner is requesting, AD Griffin stated, "You have to have a supervisor in each gaming area and pit under WAC 230-15-460, which is not the rule that he's looking to change. And it does allow for a dealer and a supervisor to work the same shift, but you can't be a dealer and a supervisor simultaneous to that. So even if you have a dealer or a supervisor in a card tournament of a house banked card room licensee, you're still going to have to have a supervisor in that gaming area and in the live gaming area pit. So no, the communication, the testimony does not resolve our concerns".

**Chair Sizemore** recognized the agency staff concerns and asked if the Petitioner would consider withdrawing his petition to see if he can work out these issues with staff. The Petitioner withdrew his petition stating that he will work with staff to amend the correct rule. AD Griffin added that she will reach out to him to reconnect on this topic.

### **Legislative Update**

**LLM Considine** presented the materials for this tab. **LLM Considine** said we are currently tracking about 60 bills and provided a short summary of noteworthy bills the agency is currently tracking, including industry bills. He also discussed the state operating budget-related items the agency was working on and that it seemed the Problem Gambling Task Force and prevalence study requests would be in one or both budgets. He thanked Representative Kloba for all her assistance on the Problem Gambling Task Force, the prevalence study, and just reiterating the extension of the sports wagering loan repayment in both Senate and House budgets be repaid in 2023. Lastly, LLM Considine shared that Governor Inslee just announced in a press briefing that starting March 22, 2021 the whole state is moved to phase three, which is 50% capacity, and that should benefit the industry.

### **Public Comment**

**Chair Sizemore** asked for public comment. There was no more public comment. He asked Julie Anderson if there was any emails or chat activity. There were none.

**Chair Sizemore** confirmed that Director Trujillo's last day at the Gambling Commission would be March 31, 2021. He thanked Director Trujillo for his service to Washington State Gambling Commission and wished him luck and in his next chapter. **Chair Sizemore** asked Vice Chair (VC) Patterson to lead the Interim Director process as Chair Sizemore expressed his willingness and desire to serve as the interim position and will recuse himself from the selection process. **Commissioner Patterson** asked Director Trujillo for a recommendation for Interim Director. Director Trujillo recommended AD Griffin for the position. **VC Patterson** asked for consultation from AAG Becker. **AAG Becker** explained that a special meeting would have to be

held for public awareness to allow all commissioners time to consider their options. **VC Patterson** agreed and announced that she will be working with Human Resources Director, Lisa Benavidez on next steps.

**Commissioners Levy** said, *“I just would like to thank Dave for everything he's done so far, and we're going to miss you on the Commission. It's been a great having the pleasure to work with you. Good luck in your future endeavors”*.

**Commissioner King** said, *thank you, Dave, for everything that you've done, and you'll be sorely missed”*.

**Representative Kloba** replied, *“I was just thinking about all the times that Mr. Trujillo has shown up in front of the committee and just always very open, so knowledgeable, but able to distill things down to the basics so that any brand new committee member could understand the issue at hand and some of the detail. He was very welcoming when I joined the Commission and I just really am very thankful for all of that, his warmth and his professionalism, and just really jealous of the folks that you are going to work with in the future, because it's not us”*.

#### **Public Comment**

**Chris Stearns** said, *“Thank you, Chair Sizemore and hi, everyone. Director Trujillo, just my absolutely “favoritest” of all directors. Although there was only one other, I think when I joined, and that, so I have a limited experience. I was honored to, I think as my first official vote, when I joined the Commission was to vote for you to be the Director. Under your stewardship, the Commission has not just thrived, but it's just maintained its reputation and record of excellence for keeping gambling safe and keeping it honest in the state of Washington. Yeah. Your tenure here is just remarkable. I know the people of Washington are really grateful for all that you've done for them, and I wish you best of luck in your new endeavor”*.

**Chair Sizemore** reminded the Commissioners that the next public meeting would be April 8 and that a special meeting would occur before that and to continue checking the website for the most current information.

The March meeting adjourned at 3:07 PM.

**Public Meeting Call to Order**

**Vice Chair Patterson** called the virtual special commission meeting to order at 1:04 PM. Chair Sizemore recused himself from the process of interim director as Chair Sizemore has asked to be considered for the interim director and permanent director position.

**Vice Chair Patterson** asked Director Trujillo to call roll to ensure a quorum for the public meeting. All commissioners were present.

There were 107 people who attended the virtual meeting.

**Tab 1**

**Appointment of Interim Director**

Vice Chair (VC) Patterson presented the materials for this tab. VC Patterson explained that the purpose of the meeting was to consider and appoint an interim director. Director Trujillo accepted another position and will be leaving the agency on March 31, 2021. Under the Gambling Act RCW 9.46.080, the commission employs the director, and the director acts as the administrator for the commission in carrying out its powers and duties. The commission will need time to search for a new permanent director to replace Director Trujillo. The commission will appoint an interim director to act as its administrator until a recruitment and appointment of a new permanent director is completed. At our last meeting Director Trujillo recommended Assistant Director Tina Griffin for this interim position. And at the same time Chair Sizemore

\* Governor Inslee issued [Proclamation 20-28.4](#) et al that suspended certain Open Public Meeting requirements, including in-person public meetings requirements for this Commission Meeting.

indicated his interest in the interim position as well as the fact that he plans to recuse himself from this interim director appointment process today. VC Patterson asked Chair Sizemore to state for the record, his interest in the position and recusal from the decision. **Chair Sizemore** explained that he will continue to recuse himself for this entire process. He is willing, interested, and available to serve, not only in the interim role, if chosen, but also would be applying for the permanent role. Chair Sizemore did not participate in the vote for interim director.

**VC Patterson** introduced the Human Resources Director (HRD), Lisa Benavidez and asked her to provide information to Commissioners Levy, King and herself on factors to consider for an interim director.

**HRD Benavidez** addressed the commission and said, “Some of the things that we may want to consider for an interim appointment, they include that typically interim directors are appointed from within the agency and there are several factors and reasons why. Those factors include that someone internal will have familiarity with the issues facing the agency, including any administrative and day-to-day recurring issues. They will have familiarity with operations of the agency from a program and executive managing perspective. They will have an understanding of the organization of each division and have the ability to effectively manage those divisions. And they will have the ability to quickly step in and ensure no operations are interrupted. Hiring an interim director from within the agency is a way to ensure that there are minimal, if any, business interruptions while we search for a director. **VC Patterson** asked if anyone had any questions for HRD Benavidez. There were no questions from Commissioners.

*Commissioner Levy moved to appoint Tina Griffin as Interim Director until a permanent appointment for director can be made, and also move that the start date for that appointment be April 1, 2021. Commissioner King seconded the motion. The motion passed 3:0*

*Commissioner Levy moved to set the salary form Tina Griffin while she is serving as interim director at 15% over her current salary, so long as it falls within the current salary range for the director position. Commissioner King seconded the motion. The motion passed 3:0.*

Interim Director Griffin's new salary is set at \$142,356 annually, and that is within the range set by the commission.

**Director Trujillo** called the role. The motions were adopted.

**VC Patterson** asked for public comment.

**Jerry Allen** of the Jamestown S’Klallam Tribe asked who would take over Assistant Director Griffin’s role while she steps into the interim director role. **Director Trujillo** thanked Mr. Allen for his question and stated that at this time Assistant Director (AD) Griffin has several managers that would be willing to step up to assist her. **AD Griffin** addressed the commission and thanked them for their confidence in her ability to take this position on in the interim and she looks forward to working with them.

**Maureen Greely**, with the Evergreen Council on Problem Gambling thanked Director Trujillo for his years of service and guidance to those of us outside of the commission who work in

partnership, and to thank both Chair Sizemore and Tina Griffin for being willing to step up to such a large responsibility. She Appreciates that there was more than one candidate who was interested, and she looks forward to working with Tina in the interim.

**Chair Sizemore** also addressed the commission and congratulated AD Griffin. He said she would do an amazing job and she can count on his full support as the commissioners move forward. He stated that he knows AD Griffin is up to the task and has stepped up in the past when Director Trujillo was called up to preform his duties for the guard when the pandemic was at its peak.

**VC Patterson** thanked everyone for attending the meeting.

The special commission meeting adjourned at 1:24 PM.

**SUBJECT: Garage Bar & Grille, CR 2020-01263  
Final Order – April 8, 2021 Commission Meeting**

Garage Bar & Grille (GBG) has a gambling license authorizing Punchboard/Pull-Tab activity at its Vancouver, Washington location. The license expired on March 31, 2021.

On March 13, 2020, a WSGC Special Agent was notified by the Regulatory Agent assigned to GBG of an unreported change in ownership. The Agent contacted GBG's listed principal to inform him that he must file the necessary Change of Ownership paperwork so that the WSGC may determine if the new owner was qualified for licensure. At that time, the Agent told GBG it must file the required paperwork by April 9, 2020. Since that time, GBG has continued to offer explanations as to why the paperwork has not been delivered to the WSGC. To date, the GBG has yet to provide the full and complete paperwork.

Director Trujillo issued GBG a Notice of Administrative Charges on December 10, 2020, by regular and certified mail to its last known address on file. GBG filed a Request for Hearing on January 26, 2021. As a result, a Prehearing Conference was scheduled with the Office of Administrative Hearings (OAH) for February 18, 2021. GBG failed to appear at the Prehearing Conference, resulting in an Order Dismissing GBG's Appeal. The Order, issued on that date, stated that GBG may dispute the Dismissal by filing either a Petition with OAH within 7 days, or a Petition with the Commission within 20 days. To date, GBG has failed to file either Petition.

GBG's failure to file a Petition to Reinstate its Hearing with OAH or file a Petition for Review of the Order with the WSGC is a waiver of GBG's right to a hearing in Case No. CR 2020-01263. You may take final action against its gambling license. GBG failed to notify the WSGC of a change of owner and failed to provide the WSGC with the proper paperwork to determine the qualification of its new owner. In doing so, it is in violation of both WAC 230-06-107 and WAC 230-03-085. Based on its conduct, GBG cannot show by clear and convincing evidence that it is qualified to keep its gambling license. Therefore, staff recommends that the Commission sign the proposed final order and revoke Garage Bar & Grille's Punchboard/Pull-Tab license, Number 05-21347.

FINAL ORDER OF THE  
GAMBLING COMMISSION

11 Licensee.

---

12 This matter having come before the Washington State Gambling Commission  
13 (Commission) on April 8, 2021, the Commission makes the following Findings of Fact,  
14 Conclusions of Law, and issues its Final Order:

15  
**I. FINDINGS OF FACT**

16 1. The Washington State Gambling Commission issued Garage Bar & Grille (GBG)  
17 License No. 05-21347 authorizing Punchboard/Pull-Tab activity at its Vancouver, Washington  
18 location.

19 2. This license, which expired on March 31, 2021, was issued subject to GBG's  
20 compliance with state gambling laws and Commission rules.

21 3. GBG has been licensed since 2015.

22 4. On March 13, 2020 a WSGC Licensing Special Agent was notified by the  
23 Regulatory Special Agent assigned to licensee Garage Bar & Grille (GBG) that there had been  
24 an unreported change of ownership at the organization. The Licensing Special Agent began  
25 investigating the potential change of ownership.

26  
FINAL ORDER OF THE  
GAMBLING COMMISSION

1           5.       According to documents obtained from the Washington Secretary of State’s  
2 website, at some time between the filing of its 2018 and 2019 Annual Reports, GBG’s listed  
3 owner, Ladybug15, LLC added a new Governor, Vanessa Wagner. The only principal that  
4 Ladybug15, LLC, doing business as GBG, has listed as a principal with the WSGC is Kevin  
5 Kloewer.

6           6.       On March 19, 2020, the Special Agent emailed Kloewer to notify him of GBG’s  
7 failure to report its change of ownership, and to explain why there is a need for licensees to report  
8 these changes<sup>1</sup>. The Agent told Kloewer that along with filing and paying for the required  
9 Notification of Ownership Change form, the WSGC also required an updated Ownership  
10 Disclosure, an updated LLC Agreement, copies of the Purchase and Sale Agreement, as well as  
11 a number of documents required to determine Wagner’s qualification for licensure. The deadline  
12 to provide the information was April 9, 2020.

13          7.       Having received no response from Kloewer, the Agent emailed him on April 8,  
14 2020. Kloewer responded that either he or his attorney would follow up with her shortly.

15          8.       On July 1, 2020, the Agent again emailed Kloewer to notify him that she had not  
16 received any of the documents that had been requested. In the email, the Agent told Kloewer  
17 that, “to avoid any additional violations, you must submit the documents by July 14, 2020.”

18          9.       On July 15, 2020, after still not receiving the requested documents, the Agent  
19 called Kloewer, who noted a number of issues that he claimed was preventing him from  
20 providing the information that was originally due on April 9. In an effort to avoid further delay,  
21 the Regulatory Special Agent hand delivered the documents to GBG the following day. Wagner  
22 was there and received the documents.

23  
24  
25                   <sup>1</sup> All individuals that hold a substantial ownership interest in an organization, and their spouses, must be  
26 able to prove that they are qualified for licensure. To do so, an individual must provide both information to  
determine if they have relevant criminal history and documentation to outline the source of the funds used to  
obtain ownership in the organization.

1           10.     On August 10, 2020, the Agent left a message with GBG, which Wagner returned  
2 later that day. Wagner acknowledged that it was her fault that the documents had not yet been  
3 provided to the WSGC. The Agent told Wagner that any further delay could result in additional  
4 violations.

5           11.     On August 12, 2020, Wagner called the Agent to inform her that she was meeting  
6 with Kloewer to sign the documents the next day. Wagner said that she would put the documents  
7 in the mail the next day.

8           12.     On August 24, 2020, Wagner called to notify the Agent that she was having a  
9 hard time reaching Kloewer, and as a result did not have the signed documents.

10          13.     On September 16, 2020, Wagner called the Agent to say that she was mailing the  
11 documents that day.

12          14.     On October 14, 2020, the Agent emailed Kloewer to notify him that the WSGC  
13 had not received any of the documentation that he had claimed he was sending, and as a result,  
14 she was recommending administrative charges against GBG.

15          15.     On October 15, 2020, Kloewer called the Agent claiming that the paperwork had  
16 been sent by USPS about two weeks prior. The Agent noted that on top of not receiving the  
17 paperwork, GBG had yet to pay the application fee required to file a Notice of Ownership  
18 Change.

19          16.     On October 16, 2020, GBG paid the application fee online.

20          17.     On October 21, 2020, Kloewer emailed the Agent stating that she would receive  
21 the documents by the end of the week.

22          18.     As of the date that this Order has been presented, the WSGC has yet to receive  
23 the required documentation from GBG.

24          19.     Director David Trujillo issued administrative charges on December 10, 2020  
25 alleging that Garage Bar & Grille's actions constituted a violation of WAC 230-06-107(1)(a),  
26 WAC 230-06-107(2)(a), (b), and (c), and WAC 230-03-085(8). Further, that GBG could not

1 show by clear and convincing evidence that it was qualified for licensure as required by RCW  
2 9.46.153(1), and that its actions warranted revocation of its license pursuant to RCW 9.46.075(1)  
3 and WAC 230-03-085(1), (3), (8), and (9)(a).

4 20. GBG was sent the charges by regular and certified mail on December 11, 2020 to  
5 the last address the Gambling Commission had on file.

6 21. GBG filed an Amended Request for Hearing on January 16, 2021 stating that they  
7 want “the opportunity to discuss settlement options and keep the right to a hearing.”

8 22. Upon receiving the Amended Request for Hearing, the Office of Administrative  
9 Hearings (OAH) issued a Notice of Prehearing Conference on February 9, 2021. That Notice,  
10 sent to GBG via First Class Mail, outlined that a Prehearing Conference would be held on the  
11 matter Thursday, February 18, 2021 at 11:00 AM.

12 23. Neither any member of GBG nor a legal representative for the licensee appeared  
13 for the scheduled Prehearing Conference. As a result, the WSGC moved for a Default Order to  
14 be issued by the presiding Administrative Law Judge, Dan Gerard.

15 24. ALJ Gerard granted the WSGC’s motion. On February 19, 2021, OAH sent the  
16 Order Dismissing Appeal to GBG by First Class Mail to the same address.

17 25. Pursuant to WAC 230-17-010, a response was required to be received by the  
18 Commission by March 11, 2021. To date, the Commission has received no Petition for Review  
19 or communication regarding a Petition from GBG.

## 20 II. CONCLUSIONS OF LAW

21 1. Garage Bar & Grille received proper notice of the Order Dismissing Appeal  
22 within three days of February 19, 2021 via First Class Mail, pursuant to RCW 34.05.440, RCW  
23 34.05.434, WAC 230-17-020, WAC 230-17-010, and WAC 10-08-210.

24 2. The Commission can take final action against Garage Bar & Grille’s gambling  
25 license under Case Number CR 2020-01263 pursuant to RCW 9.46.075, RCW 34.05.440(1),  
26 RCW 34.05.461, and WAC 230-03-085.

**SUBJECT: Vitaliy Potrikhalin, CR 2020-01320  
Final Order – April 8, 2021 Commission Meeting**

Vitaliy Potrikhalin has a gambling license authorizing Public Card Room Employee activity at Great American Casino in Everett, Washington. His license expired on February 15, 2021.

On October 28, 2020, a WSGC Special Agent was contacted by Josh Christman, the Surveillance Manager for Great American Casino, who reported that one of their licensed card dealers had been caught cheating. According to Christman, the licensee in question, Vitaliy Potrikhalin, had failed to collect a losing \$5 toke wager<sup>1</sup> placed at his table, instead moving the wager to a different position. The following hand, the toke wager resulted in Potrikhalin winning \$200. On October 29, 2021, the Special Agent reviewed the video surveillance footage for the incident which confirmed that Potrikhalin had failed to collect the initial \$5 toke wager at the conclusion of the first hand. On the subsequent hand, Potrikhalin's moved wager resulted in a \$200 win.

Director Trujillo issued Potrikhalin a Notice of Administrative Charges on January 19, 2021, by regular and certified mail to his last known address on file. Pursuant to WAC 230-17-010, a response was required to be received by the Commission by February 11, 2021. To date, the Commission has received no communication from Potrikhalin.

Vitaliy Potrikhalin's failure to respond to the charges or timely request a hearing is a waiver of Potrikhalin's right to a hearing in Case No. CR 2020-01320. You may take final action against his gambling license. Potrikhalin failed to collect a losing toke wager placed at his table, instead moving the lost \$5 bet to a different spot, resulting in a \$200 gain. In doing so, he violated both RCW 9.46.1961(1)(b), Cheating in the First Degree, and RCW 9A.56.050, Theft in the Third Degree. Based on his conduct, Potrikhalin cannot show by clear and convincing evidence that he is qualified to keep his gambling license. Therefore, staff recommends that the Commission sign the proposed final order and revoke Vitaliy Potrikhalin's Public Card Room Employee license, Number 68-07167.

<sup>1</sup> A toke wager is a wager placed as a tip (toke) for the dealer. If the wager is won, the dealer's toke increases in the same manner a normal wager would; if the wager loses, the toke is lost and collected by the house.

11 Licensee.

12 This matter having come before the Washington State Gambling Commission  
13 (Commission) on April 8, 2021, the Commission makes the following Findings of Fact,  
14 Conclusions of Law, and issues its Final Order:

15 **I. FINDINGS OF FACT**

16 1. The Washington State Gambling Commission issued Vitaliy Potrikhalin License  
17 No. 68-07167 authorizing Public Card Room Employee activity at Great American Casino in  
18 Everett, Washington.

19 2. This license, which expired on February 15, 2021, was issued subject to  
20 Potrikhalin's compliance with state gambling laws and Commission rules.

21 3. Potrikhalin has been licensed since 1999.

22 4. On October 28, 2020, Josh Christman, the Surveillance Manager for Great  
23 American Casino Everett (GAE), reported to a WSGC Special Agent that GAE had caught one  
24 of their licensed card dealers cheating.

1           5.       According to Christman, the licensee in question, Vitaliy Potrikhalin, had failed  
2 to collect a losing \$5 toke wager<sup>1</sup> following the completion of the hand. Potrikhalin instead  
3 moved the \$5 toke wager to a different wagering position, resulting in him winning \$200 on the  
4 next hand.

5           6.       On October 29, 2020, the Special Agent reviewed the video surveillance footage  
6 for the incident, which began at 16:51 on October 27, 2020. Potrikhalin is dealing at a Bad Beat  
7 Infinite Fortune Baccarat table with one player sitting at the table.

8                   a.       On the first hand shown in the footage, the player places multiple separate  
9 wagers including one for the “Banker” to win<sup>2</sup>, with a separate \$5 toke  
10 wager on the “Banker”. After the “Player” hand won, Potrikhalin collects  
11 all of the losing wagers, except for the “Banker” wager and the “Banker”  
12 toke wager.

13                   b.       On the following hand, the player makes wagers similar to the previous  
14 hand, again betting on the “Banker” hand to win. This hand was won by  
15 the “Banker” with a “Super 7” hand<sup>3</sup>.

16                   c.       When Potrikhalin collects the wagers for that hand, he moves the \$5 toke  
17 wager from its original position to the “Fortune 7” wager spot. After  
18 doing so, Potrikhalin is observed initiating a conversation with the player.

19                   d.       After the discussion between the two ends, Potrikhalin pushes the  
20 “Banker” wager back to the player, pays out the Fortune 7 bonus wager  
21 to the player, and then collects a dealer bonus toke of \$200 to himself.

---

23                   <sup>1</sup> A toke wager is a wager placed, generally at the top right of any wagering circle, as a tip (toke) for the  
24 dealer. If the wager is won, the dealer’s toke increases in the same manner a normal wager would; if the wager  
loses, the toke is lost and collected by the house.

25                   <sup>2</sup> In Baccarat, two hands are dealt, regardless of the number of players. Players may bet on whether the  
“Player” hand or the “Banker” hand gest closer to the target score of nine.

26                   <sup>3</sup> A “Super 7” occurs when a “Banker” draws a total hand of 7 with three cards and scores a higher hand  
than the “Player”. If a player makes a “Super 7” side bet (as is allowed with Bad Beat Infinite Fortune Baccarat)  
and this situation occurs, the bet pays 40 to 1; all other outcomes result in a loss.

<b>Who Proposed the Rule Change?</b>	
Ronald Johns, a licensed card room employee, from Puyallup, Washington	
<b>Background</b>	
<p>Ronald Johns, of Puyallup, Washington, is proposing to amend WAC 230-15-140, Wagering limits for house-banked card games, to increase the single wager or bonus wager for an odds-based pay out from \$300 to \$2000.</p> <p>The petitioner feels this change is needed because operating expenses have increased over the years since the \$300 betting limit was put in place. This limit, along with the limit of 15 table games, makes it impossible to increase revenue to a sustainable level.</p> <p>The petitioner feels the effect of this rule change would allow card rooms to remain competitive with tribal casinos and continue to offer livable wages to the thousands of employees in the industry.</p> <p>Attachments:</p> <ul style="list-style-type: none"> <li>• Petition</li> <li>• WAC 230-15-140</li> </ul>	
<b>History &amp; Policy Considerations</b>	
<p>House-banked card games opened up in 1997 with wager limits set at \$25. Wager limits were increased in 2000 to \$100, in 2004 to \$200, and again in 2009 to the current limit of \$300.</p> <p>In 2016, the Commission received a petition from the Recreational Gaming Association (RGA) requesting the Commission to increase wager limits to \$500 that would match the limits of Tribal gaming operations at that time. The Commission accepted the petition for further discussion, but the RGA eventually withdrew their request after hearing Commissioner concerns about increasing the wager limit.</p> <p>Commissioners previously raised concerns related to problem gambling and the total accumulated amount that can be wagered in a single hand when raising the wager limit has been requested. Under this petition, the wager limit would increase from \$300 to \$2000 per wager. If implemented, players could wager up to \$10,000 or more per hand because current game rules allow a player to place a single wager and combine it with a number of bonus wagers per hand.</p>	
<b>Staff Recommendation</b>	
<p>Under the requirements of the Administrative Procedure Act, the Commission must take action on a petition within 60 days of receiving it. Your options are:</p> <ol style="list-style-type: none"> <li>1) Initiate rule-making proceedings by filing the rule as proposed for further discussion; or</li> <li>2) Deny the petition in writing, a) stating the reasons for denial and specifically address the concerns stated in the petition, or b) where appropriate, indicate alternative means by which the agency will address the concerns raised in the petition.</li> </ol>

Rule Petition Type: Amend Rule – I am requesting WSGC to change an existing rule.

==Amend Rule – I am requesting WSGC to change an existing rule.==

List rule number (WAC) if known: WAC 230-15-140

I am requesting the following change:

A single wager or a bonus wager for an odds-based pay out must not exceed two thousand dollars.

(2) A player may make a single wager for each decision before the dealer deals or reveals additional cards. For Blackjack, the player may place an additional wager for doubling down or splitting pairs.

(3) Bonus wagers for progressive jackpots must not exceed manufacturer's rules or limits listed in subsection (1) of this section.

This change is needed because: As the years have passed since the original \$300 betting limit, operating expenses have increased.

The limit to \$300 wagers as well as the limit of 15 table games makes it impossible to increase revenue to a sustainable level which would ultimately lead to the loss of thousands of jobs.

The effect of this rule change will be: By changing this rule, card rooms could remain competitive with tribal casinos. This will allow the card rooms to continue to offer good livable wages to the thousands of employees in the industry.

**4. Operating Budget**

The Senate and House released their proposed operating budgets this week. The budgets have been passed out of their fiscal committees and will likely be passed of the floor soon. Currently, our priorities are included in both budgets: (1) extending the sports wagering loan until 2023; (2) extending the Problem Gambling Task Force until 2022; and (3) extending the prevalence study to 2023.

Additionally, due to the great work of our CFO Chris Stanley and great support from Senator Conway, the Senate budget also includes a \$3.6 million appropriation that matches the agency's revenue loss since March 2020 due to the full/partial closure of the industry.
