RE: Spokane Guilds' School & Neuromuscular Center, DBA Joya Child & Family Development (License # 00-12502)
Requesting the Washington State Gambling Commission approval of a raffle item exceeding \$40,000 for the license year.

Dear Raul and the Washington State Gambling Commission,

Please accept this letter as The Spokane Guilds' School & Neuromuscular Center, DBA Joya Child & Family Development's request for approval of a donated item to be raffled that exceeds the value of \$40,000.

Joya Child & Family Development is a pediatric therapy provider offering physical, occupational, and speech therapies as well as special education services to more than 500 children annually in Spokane County. Joya is one of the only pediatric therapy clinics in our region that provides services at no cost to families, allowing them to focus on the care their child needs, not what they can afford. Joya must raise \$1.5 million each year to cover this uncompensated care. We do this through various fundraising events, donor appeals, individual gifts, and support from foundations, and corporations. This raffle would be part of our fundraising efforts for the 2023 -2024 year.

Specific Details of Joya's Car Raffle:

(a) The organization's goals for conducting the raffle: The raffle will help raise much-needed funds to ensure that families can continue to receive the crucial therapies their child needs regardless of the cost. Joya must raise \$1.5 million each year to help sustain these efforts. This raffle will help to reach our budgeted goals for the 2023-2024 year by raising \$100,000.

(b) A brief overview of the licensee's mission and vision including the type of programs supported by the licensee and clients served:

- **Joya's Mission:** Joya is dedicated to igniting hope, empowering children, and families, and establishing lifelong skills. We provide exceptional pediatric therapy and support services, engage families, and remove financial barriers. Our community is built on inclusion, encouragement, and lasting connections.
- **Joya's vision:** Joya envisions a future where all children thrive with the support of their families, our team, and community partners. We will be the trusted early childhood development resource for families, caregivers, and higher education partners throughout our region. Joya will remain a place where all are cared for.
- Joya's early intervention program includes physical, occupational, and speech therapies, and special education services to children aged birth to three years old, regardless of a family's ability to pay.

(c) Specific Details of the raffle rules including:

- (i) Date of the drawing:** The drawing will be held on Friday, June 14th at 1:00 pm at Downtown Findlay Toyota in Spokane, WA.
 - (ii) Cost of ticket:** We plan to sell tickets for \$10 each, with the goal of selling 10,000 tickets.
 - (iii) Prizes available:** The prize for Joya's Car Raffle is a 2023 Toyota 4Runner from Downtown Findlay Toyota.
 - (iv) Security of prizes:** The vehicle will remain at Downtown Findlay Toyota's premises. The vehicle will be brought to locations where tickets are being sold when the option to do so is available.
 - (v) Plans for selling tickets:** Joya board members, foundation trustees, staff, current and alumni parents, as well as high school advisory board members will come together to sell tickets at various events throughout the coming months. The Board of Directors has 13 members, and our Foundation consists of 18 members. Once we receive approval from the commission, we will sell tickets until June 14th. We host several family nights and other fundraisers throughout the year that we plan to sell tickets at as well as public locations when permitted such as grocery stores. A member of the Joya board or staff will be present at all raffle sale locations.
 - (vi) Description of how the licensee protects the integrity of the raffle:** Tickets will be printed and stapled in books of 10 allowing for easier tracking. All tickets will be checked out and kept track of through a tracking sheet. Ticket sales will be managed by Korin Michielli, Development Director. All sales will be conducted face-to-face. Korin Michielli and members of the Joya development team will oversee offsite sales and training of volunteers. CHILD & FAMILY DEVELOPMENT

Joya's Mission: Joya is dedicated to igniting hope, empowering children and families, and establishing lifelong skills. We provide exceptional pediatric therapy and support services, engage families, and remove financial barriers. Our community is built on inclusion, encouragement, and lasting connections.

Joya is one of the only pediatric therapy clinics in our region that provides services at no cost to families, allowing them to focus on the care their child needs, not on what they can afford.

To ensure this care is available for all families, Joya must raise \$1.5 million each year to cover uncompensated care.

We do this through various fundraising events, donor appeals, individual gifts, and support from foundations and corporations. This is where the Car Raffle can help Joya the most!

We'd like to propose a car raffle!

Joya board members, foundation trustees, staff, current and alumni parents, as well as high school advisory board members, will come together to sell 10,000 tickets at \$10.00 each, with an end goal of raising \$100,000 to support the therapy and services our kiddos need to thrive!

Joya exists to help children like Colbe receive the care they need at a young age so that they can thrive!

We appreciate you considering this request!

Who Proposed the Rule Change?	
Washington State Gambling Commission Staff	
Background	
<p>Staff suggests amendment of WAC 230-06-046, or the creation of a new rule, related to additional requirements for licensed business premises of nonhouse-banked, Class F, and house-banked card rooms. The rule currently establishes conditions under which card rooms cannot be adjacent to each other. Staff believes that there is a need to further clarify under which limited conditions nonhouse-banked, Class F, and house-banked card rooms can be adjacent to each other.</p> <p>Attachments:</p> <ul style="list-style-type: none"> • WAC 230-06-046
