**RE: Updated approval for MD3 Shuffler**

Dear Ms. McGowan,

Thank you for requesting approval of the MD3 Shuffler Upgrade v005t. We have completed our review with the MD3 shuffler supported with the Telit LTE Cat M1, DigiTech and MultiTech modem. The MD3 Shuffler software upgrade is approved for both tribal and commercial facilities.

The approval is contingent on the following requirements:

Manufacturer Requirements:

- The 2 additional PIN numbers provided by Scientific Games are not given out to non-Scientific Games Employees and are only used by Scientific Games Field Technician's.
- No access should be given to the serial port of the device while on the live floor of the casino.
- Software signatures of the device should be checked before the Shuffler is put into play.
- The Enable Network setting in the Network Menu should be set to "Disabled" before the Shuffler is put into play to ensure the device is secure and avoid any potential security risks.
- To ensure the system remains a closed system as required by WAC 230-16-151, only one external tool (such as a laptop) may be connected to the shuffler via the ethernet port at a time. The shuffler should never be connected to any networking devices such as hubs, switches, or routers.

- Any external tool connected to the shuffler must have all wireless and bluetooth functions disabled at all times during the connection

The electronic signatures are as follows:

Firmware Component	Kobetron Signature
RNG_3.0.007	A1U5
Software Component	SHA1 Signature
MD3_Mico32_4.0.204 (installed)	ED5E07282D3CE3B1042E5099E3C5D46480A61A80

Any modifications made to the MD3 Shuffler must be submitted to us for additional testing and review. We reserve the right to investigate and reevaluate this equipment if we determine that such a review is necessary to ensure compliance with applicable compacts or laws in Washington.

Thank you for your cooperation during this process. We appreciate your desire to comply with our regulations. If you have any questions regarding this matter, please contact me at (509) 325-7904.

Sincerely,

Gary Drumheller
