PERMANENT RULE (Including Expedited Rule Making)

Adopted under notice filed as WSR 24-03-066 on January 12, 2024 (date).

Describe any changes other than editing from proposed to adopted version: WAC 230-11-065(3)(c) was originally filed with a typographical error stating \$300,000 would be the threshold for total raffle prizes in a year, except as authorized in WAC 230-11-067. The correct threshold that the Gambling Commission actually debated, discussed, and approved during the January and March 2024 commission meetings is \$400,000. The adopted version of the rule reflects the corrected threshold of \$400,000.
