**Re: Whack'em Funky Gators**

Dear Mr. Manning,

Thank you for submitting the Whack'em Funky Gators game to us for review. We have completed our review. It is my understanding the game plays as follows:

Players press buttons on the game in an attempt to hit the gators that are displayed on the screen. Tickets are awarded based on the number of gators the player hits.

The Whack'em Funky Gators game meets the definition of an amusement game (RCW 9.46.0201) and is approved for use as a Group 5 Hand/Eye Coordination (WAC 230-13-035) amusement game in Washington State.

Please be advised that any modifications to the Whack'em Funky Gators amusement game software or associated equipment must be provided to us for additional testing and review. In addition, amusement games operated in Washington must not have settings that allow the operator to control the outcome of the game (auto percentaging). The approval of this equipment may be rescinded at any time if problems are found by the Commission or changes to the Washington Administrative Code (WAC) impact this approval. If you have any questions or concerns, please contact Sonja Dolson at (425) 277-7026.

Sincerely,

Josh Stueckle
