Dear: Ms. Dietrich

On January 17, 2008, a meeting was held in the Tacoma office of the Washington State Gambling Commission to review the above listed software version. Special Agent Supervisors Sonja Dolson and Susan Blanchett met with Bettina representative Denny O'Neil to conduct the review.

A sample bingo session was conducted and the applicable receipts/reports were reviewed for compliance with Washington State requirements. No exceptions were noted in this review and the software complies with the Washington State requirements.

Our review was limited to the receipting requirements and did not include a review of all the reports produced by your software. Therefore, if some of the reports do not have all of the required information, then a bingo operator may need to take additional steps in order to maintain compliance. You can review Washington State's bingo record keeping requirements via our website, www.wsgc.wa.gov.

The approval of this software may be rescinded at any time if problems are found by the Commission or Washington Administrative Code (WAC) changes impact this approval. You will need to resubmit the software for review if you make any modifications or upgrades to the software.

If you have any questions and/or concerns, please feel free to call Sonja Dolson at (253) 671-6283 or Lee Streitz at (425) 277-7014 ext. 222.

Sincerely,

David Trujillo
Assistant Director
Licensing Operations Division
