Dear Ms. Sherwood,

Thank you for requesting approval of the i-Deal shuffler upgrade with i-Verify Display. We have completed our review.

The i-Deal Single Deck Shuffler upgrade with i-Verify Display is approved for use in Washington State.

We are approving the i-Deal Single Deck Shuffler version 3.8.079 with i-Verify Display version 1.0.025 with the following requirements:

i-Deal Single Deck Shuffler v. 3.8.079:

- The dealer cannot access the i-Deal screen menu; only a supervisor or above should be able to access password protected areas of the screen menu.
- The Ethernet ports on the i-Deal were disabled and not operational during testing. Therefore, no Ethernet connectivity should be seen on this shuffler in Washington State.
- Only authorized SHFL technicians may use the SHFL proprietary USB flash drives for updating software and diagnostic testing of the shuffler in compliance with WAC 230-16-151.

i-Verify Display v 1.0.025:

- Licensees who use the i-Deal with the i-Verify Display, must ensure all other players at the table have set their hands before using the i-Verify Display to set a player's hand "house way."
- Dealers must not access the i-Verify Display to reveal the dealer "house way" until all players at the table have set their hands or had their hand set "house way".
- Licensees and Tribal casinos must ensure the i-Verify Display can be viewed by surveillance as required in WAC 230-15-280 and Tribal-State Compacts.
- Only games approved for use with the i-Verify Display may be operated in WA.

The electronic signature for the i-Deal shuffler Software is listed below:

<b>Software component</b>	<b>Type</b>	<b>GI-3000 Kobetron</b>

Any modifications made to the i-Deal Shuffler and i-Verify Display, software, or associated equipment must be submitted to us for additional testing and review. We reserve the right to investigate and reevaluate the i-Deal Shuffler and i-Verify if we determine that such a review is required to ensure compliance.

Thank you for your cooperation during this process. We appreciate your desire to comply with our regulations. If you have any questions regarding this matter, please contact me at (360) 486-3579.
