Executive session adjourned at 12:15 PM. The commissioners took a short break until 1:00 PM.

Chair Sizemore spoke about recent news events and asked for a moment of silence for the fallen officers since we last met.

There were 84 people who attended the virtual meeting.

Tab 1

Commissioner Patterson moved to approve the consent agenda as presented.

Commissioner Levy seconded the motion.

Director Trujillo called the roll.

The motion passed 4:0

* Governor Inslee issued [Proclamation 20-28.4](#) et al that suspended certain Open Public Meeting requirements, including in-person public meetings requirements for this Commission Meeting.

Tab 2

Petition for Review

Doug Van de Brake, Washington Assistant Attorney General; Terence Wong, Attorney for Petitioners; and the Petitioners, Mr. Doo and Mr. Mazeckin, presented the material for this tab. Mr. Terence Wong represented both Mr. Doo and Mr. Mazeckin. Assistant Attorney General Doug Van De Brake represented the Washington State Gambling Commission's agency staff. The commissioners had before them: the administrative record from the administrative law judge (ALJ), the ALJ's initial order finding the penalty of revocation was supported and appropriate in both cases; and the parties' pleadings. Oral argument was held before the commissioners during the public meeting.

Commissioners Sizemore, Patterson and King adjourned the public meeting to a closed session where they met with AAG Suzanne Becker for 15 minutes.

Following oral argument and review of the record, the Commission denied Mr. Doo's and Mr. Mazeckin's petition for review. The Commission affirms, in its entirety, the April 13, 2019 initial order granting Gambling Commission's motion for summary judgment and adopts the initial order as the Commission's final order.

There was no public comment.

Tab 3

Petition for Final Action – Cost of Providing Public Records

Ashlie Laydon, Rules Coordinator, presented the materials for this tab. At the January commission meeting, commissioners approved staff's request to enter into rule-making to develop rules that would allow the agency to charge for costs authorized under the Public Records Act. At the May public meeting, staff presented draft language for authorizing imposition of certain costs for providing records in a public records request, including: the actual cost for copying records, including per-page rate for copying, labor costs of copying, and shipping costs; providing copies of electronically produced records; actual costs for the electronic production or file transfer of the record; the use of a cloud-based storage or processing service; and the cost of transmitting the records in an electronic format. No comments were received at any public meeting or directly to the agency during the public comment period. Staff requested the commissioners take final action and approve the final language for this rule-making.

There was no public comment.

Commissioner Patterson moved to approve for final action on Cost of Providing Public Records to occur 31 days after filing with the Office of the Code Revisor.

Commissioner King seconded the motion.

The motion passed 3:0

Commissioner Levy was not present for the vote.

Tab 4

Rules Petition-Updating Rules Regarding Card Games

Ashlie Laydon, Rules Coordinator, presented the materials for this tab. Staff asked the commissioners to approve entering into rule-making to address house-banked “jackpot” prizes, including progressive and house jackpots. Current rules need to be amended and possibly new rules added to clarify the different jackpot prizes authorized, and how they are to be operated, including: restrictions, enforcement, minimum cash on hand and payments, adjustments, and removal of jackpot prizes offered.

Commissioner Sizemore asked if the rules would address player supported jackpots. Staff replied that it would not and would only focus on the house-banked jackpots.

There was no public comment.

Commissioner Patterson moved to initiate rule-making to update the rules regarding card games, as presented by staff.

Commissioner King seconded the motion.

The motion passed 3:0

Commissioner Levy was not present for the vote.

Tab 5

Rules Petition-Sports Wagering

Brian Considine, Legal and Legislative Manager (LLM), presented the materials for this tab. On March 25, 2020, Governor Jay Inslee signed House Bill 2638, authorizing sports wagering for Class III tribal facilities under terms of the new law and as negotiated in tribal-state compacts.

New rules will likely need to be implemented before Class III tribal facilities can offer sports wagering at current Class III tribal facilities. Staff recommends initiating rule-making to ensure that the agency can facilitate the implementation of sports wagering through rule making once tribal negotiations are at a place that would allow the agency to begin stakeholder work necessary for any rule-making and not delay the submission of rule language to the commissioners once any language is ready for their review. Rule-making would cover all aspects of regulation, but could be done in phases, if needed, and any rules will be consistent with terms of any new tribal-state sports wagering compact amendment(s).

There was no public comment.

Commissioner Patterson moved to approve staff recommendation to initiate rule-making to facilitate the implementation of sports wagering consistent with terms of any new tribal-state sports wagering compact amendments.

Commissioner King seconded the motion.

The motion passed 3:0

Commissioner Levy was not present for the vote.

Tab 6

Presentation- Gambling Commission Financial Update

Christopher Stanley, Chief Financial Officer (CFO), presented the materials for this tab. CFO Stanley provided an agency budget review and financial update. He will present the agency’s

budget for the Commission's consideration and approval at the August and September commission meetings.

There was no public comment.

Tab 7

Presentation- Agency Request Legislation

Brian Considine, Legal and Legislative Manager (LLM), presented the materials for this tab. LLM Considine presented possible 2021 agency request legislation. LLM Considine discussed the following possible topics for agency request legislation:

- (1) General Fund appropriation request -
 - a. \$6 million sports wagering loan forgiveness
 - b. Chair Sizemore added new general fund appropriation for unlicensed criminal activity (example: animal fighting and online gambling)
- (2) Reviewing Nonprofit bingo laws
 - c. Senior Centers/Community Centers
 - d. Low stakes bingo;
- (3) Sports Wagering Law clean-up
 - e. Fantasy Sports/tournament pools
 - f. Sports Boards
 - g. Definition of esports
- (4) Forthcoming Problem Gambling Task Force Recommendations
- (5) Loot Box regulation
- (6) Social Casino regulation; and
- (7) Requesting a change to the Definition of Theft
- (8) Director Trujillo added cashless transactions -

Additionally, staff held a virtual stakeholder forum on June 24, 2020 to preview possible agency request topics and seek input on topics stakeholders would like the Commission to take on in 2021. The following topics were requested by stakeholders:

- (1) Online Raffles
- (2) Raffles using the mail.

LLM Considine briefly explained each topic on the staff and stakeholder lists. Then, he asked for additional topics and **Director Trujillo** added cashless transactions to the list. **Chair Sizemore** added funding for criminal law enforcement work on unlicensed gambling activities.

LLM Considine recommended the Commission only prioritize the budget package requests and nonprofit bingo changes for agency request legislation. LLM Considine provided reasoning for why other topics should not be the priority this session and why the focus should be on the two budget requests and the nonprofit bingo law change(s).

The commissioners agreed with LLM Considine's recommendations. LLM Considine informed them that he and CFO Stanley would have more specific information on each of these priorities at their August public meeting and will ask for final action at the agency's September public meeting.

Chair Sizemore announced that the August and September commission meetings would be virtual and to continue to watch the agency website for up-to-date information.

Chair Sizemore adjourned the July commission meeting at 3:58 PM.

2021-23 BIENNIAL BUDGET DECISION PACKAGE

Agency: 117 Gambling Commission

DP code/title: SW / Forgive Sports Wagering Loan

Budget period: 2021 Second Supplemental Budget Request

Budget level: PL

Agency RecSum text: *This request, while submitted by the Gambling Commission, relates to Section 804 in the underlying enacted operating budget.*

The Washington State Gambling Commission (WSGC) requests forgiveness of the \$6 million loan made in Engrossed Substitute House Bill 2638 of the 2020 Legislative Session. Forgiveness of the loan will allow WSGC greater flexibility in implementing the legislation that authorized sports wagering at tribal facilities. Funds not utilized specifically for implementing the bill will be able to be used for the investigation of illegal and unlicensed criminal gambling activity.

2021-23 BIENNIAL BUDGET DECISION PACKAGE

Agency: 117 Gambling Commission

DP code/title: CE / Reduce Crime and Protect Public

Budget period: 2021-23 Biennial Budget Request

Budget level: PL

Agency RecSum text:

The Washington State Gambling Commission (WSGC) requests \$3 million per year of General Fund-State funds to support its criminal investigation efforts regarding gambling-related crimes. Over the past 10 years, gambling crime has risen and is anticipated to rise further as California, Montana, Oregon and other states legalize sports wagering. In that same time period, the criminal enforcement unit of WSGC has remained stagnant and overwhelmed with cases. This not only impedes our ability to investigate new cases, but also hampers our ability to assist prosecutors that may not have a background in financial crimes. Ultimately, criminals are more easily able to prey on individual victims through loan-sharking and elder abuse and commit more crimes of opportunity at legal gambling sites, such as theft and money laundering for drug dealers.

The amount of gambling crime is predominantly committed by unlicensed individuals or by individuals who take advantage of their position at legal establishments. Because of the prolonged, ongoing use of licensee funds for criminal investigations, combined with the steady increase in gambling crime, fees on licensees as well as cost-recovery amounts billed to sovereign tribes have risen over time. By adequately funding criminal enforcement efforts with general fund dollars rather than utilizing valuable licensee dollars and preserving them for regulation efforts, we can keep both tribal amounts and non-tribal licensee fees low into the future and keep Washingtonians safe from financial predators that target vulnerable individuals.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 9.46.0209 and 2020 c 150 s 1 are each amended to read as follows:

more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or

(ii) Any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same.

(b) An organization defined under (a) of this subsection must:

No person or other entity may receive compensation in any form from the group for services rendered in support of this purpose;

(iii) Promptly provides such information about the group's receipts, expenditures, and other activities as the agency's chief executive official or designee may periodically require, and otherwise complies with this section and RCW 9.46.0315; and

(iv) Limits the participation in the raffle such that raffle tickets are sold only to, and winners are determined only from, the employees of the agency.

(3) For the purposes of RCW 9.46.0277, a bona fide nonprofit organization also includes a county, city, or town, provided that all revenue less prizes and expenses from raffles conducted by the county, city, or town must be used for community activities or tourism promotion activities.

(4) For the purposes of RCW 9.46.0321, a bona fide nonprofit organization also includes a nonprofit community center or a nonprofit ~~senior~~ housing organization provided that any activities are revenue neutral and consistent with rules adopted by the commission.

Sec. 2. RCW 9.46.0321 and 1987 c 4 s 28 are each amended to read as follows:

Bona fide charitable or bona fide nonprofit organizations organized primarily for purposes other than the conduct of such activities are hereby authorized to conduct bingo, raffles, and amusement games, without obtaining a license to do so from the commission but only when:

(5) All revenue therefrom, after deducting the cost of prizes and other expenses of the activity, is devoted solely to the purposes for which the organization qualifies as a bona fide charitable or nonprofit organization;

(6) The organization gives notice at least five days in advance of the conduct of any of the activities to the local police agency

of the jurisdiction within which the activities are to be conducted of the organization's intent to conduct the activities, the location of the activities, and the date or dates they will be conducted; and

(7) The organization conducting the activities maintains records for a period of one year from the date of the event which accurately show at a minimum the gross revenue from each activity, details of the expenses of conducting the activities, and details of the uses to which the gross revenue therefrom is put.
