

**WASHINGTON STATE**  
**WASHINGTON STATE GAMBLING COMMISSION**  
**NOTICE OF INTENT TO SOLE SOURCE**

The Washington State Gambling Commission contemplates awarding a sole source contract to DataWalk, Inc. to provide the agency Intelligence Software that allows us to interface with our own intelligence data repository, analyze and structure data for intelligence and/or link analysis purposes, and provide us a tool to create work products for intelligence dissemination. It is a perpetual use base platform license for five concurrent users and up to 1 TB of database capacity. Additionally, DataWalk has tools allowing for the oversight and approval of intelligence work products and ensures data retention and purging requirements established in law are being complied with.

This contract is anticipated to take effect on or about November 15, 2019. The value of the first year is \$50,000.

Offerors contemplating the above requirements are required to submit capability statements detailing their ability to meet WSGC's requirements by November 7, 2019. The following information should be included in the capability statement:

- Business name
- Contact name, email, and phone number
- Description of how your firm meets the needs described above

In the absence of other qualified sources, it is WSGC's intent to make a sole source award of the contract.

To submit capability statements, or for questions, contact:
