## Notes:

1. Net receipt for Tribal casino: The Tribal net receipt is estimated, class III only, as authorized in Tribal Compacts. Class III includes TLS machines, table games, OTB, Keno and Class III poker. It does not include bingo, bingo machines, pull-tabs, or class II poker (operated within State limits).
2. FRE: Fund Raising Events.
3. The reason Tribal net receipts are estimated: Reported gambling net receipts from our licensees and other gambling activity agencies are FYE June 30. Tribes operating Class III Gaming under Tribal-State Compact have either a For Year End (FYE) Sept 30 or FYE Dec 31. Due to the time period overlap, Tribal net receipts are reported as an estimate. For example, licensee and other gambling receipts reported for 2016 on the website are for July 1, 2015, through June 30, 2016, Tribal net receipts are for each Tribe's fiscal year ending in 2015.
4. \* Card Room and Punch Board & Pull-Tab, includes Nonprofit Net Receipts.

Numbers are based on licensed organizations and tribal casinos reporting to the Gambling Commission. Please advise if you have any questions or if you request further assistance regarding this report.
