NOTICE OF RULE MAKING

On September 12, 2019, the Commissioners voted to accept a rules petition and initiate rulemaking to consider authorizing the use of credit cards for payment at commercial and non-profit gambling activities.

Our next step is to meet with stakeholders to gather input in regards to this petition. Our first meeting will be held at the Washington State Gambling Commission, 4565 7th Ave SE, Lacey, WA 98503, at 1:00pm PST on December 3, 2019. You are also welcome to participate by phone, please call (360) 407-3780, and dial 950119#. Please R.S.V.P. if you plan to attend in person or by phone.

This is the beginning of our stakeholder outreach process and you are encouraged to attend the meeting or provide written feedback to me at the email address below. Once we believe we have sufficient feedback, staff will determine what, if any, draft rules should be written. If draft rules are proposed, then staff will place any and all proposed rules on a Commission Meeting agenda and present them to the Commissioners for their review and consideration.

You will have the opportunity to provide feedback at several stages during the rule-making process, including to our Commissioners at public meetings. You can follow the rules process each month by reviewing the Complete Commission Packets that are posted a week prior to the monthly meeting under the Public Meetings section of our website, www.wsgc.wa.gov. You can also contact me on the process, or to provide feedback on the rules and this petition by phone, email, or regular mail.

Please feel free to contact me at (360) 486-3473 or at Ashlie.laydon@wsgc.wa.gov.

Sincerely,
